Dear Reviewer:

Thank you for your recent participation as a peer reviewer for the Office of Justice Programs' (OJP), National Institute of Justice's (NIJ) FY 2022 Research and Evaluation on Trafficking in Persons. While OJP receives many worthwhile proposals, it is crucial that only the strongest applications that soundly adhere to the purposes of the solicitation as well as the goals of NIJ and OJP are selected.

We appreciate your commitment and your ability to dedicate your time to participate in OJP's peer review activities. If you have any feedback regarding NIJ's peer review process, please let us know as we continue to examine and make improvements to it.

Again, thank you for your participation. This process could not have happened without your important help. We greatly appreciate all the time and energy you devoted to this task.

Thank you.

Sincerely,
